

Australian Driver Trainers Association of South Australia Inc. Members recognise that Motor Driving Instructors often work with children under the age of 18 years.

We are committed to the safety and well-being of everyone who utilises our services, and the welfare of the children in our care will always be our top priority.

The following driving instructors have shown their commitment to child safety by joining the ADTASA Child Safe Program.

All instructors listed below have declared that they will maintain a current clearance to work with young people, and abide by the ADTASA Members Child Safe [Policy](#) and Code of Conduct.
